ABSTRACT

In this answer booklet, students record their answers to the practice test items for the Ohio Proficiency Tests for grade 6. The practice tests represent the subject tests for writing, reading, mathematics, citizenship, and science. The writing tests allow space for essays based on writing prompts. The items from the other tests are in multiple-choice, short answer, and extended response formats. (SLD)

Sample Questions

1. Ⓐ Ⓑ Ⓒ ●

2.

Bifocal eyeglasses help people who have bad eyesight.

The lightning rod protects buildings from lightning damage.

3.

If no new trees could grow, that type of tree would become extinct. So would the butterflies, since they lay their eggs only on that tree's flowers. The monkeys might not be able to recover from the disease. And people might lose a possible source of medicine by losing the trees.

Stop.

Exercise B: Set of Directions

When you finish writing your set of directions, use the checklist to revise and edit your work. Take out your silent work to do at your desk when you have finished checking your work and you are satisfied with it. Or you may go back to your first writing, your story, and work on it some more.
